The most adorable rancher in the neighborhood! This one level is roomy from the minute you walk in. Large living room, dining area, breakfast bar, and beautiful kitchen with counter space to satisfy your chef! The flooring is luxury vinyl plank, there is a vaulted ceiling in the main area and a sliding door to the pergola covered patio. Truly an oasis! The front of home has a large covered porch and the home has a large back yard complete with a shop/shed with electric. The primary suite has a walk in shower and walk in closet, there are two large guest bedrooms with a second full bathroom, and the laundry is conveniently on the main level. Large garage and space for at least 4 cars in the driveway. Close to Route 9, close to 181, but a definite country feel in The Vineyards.
